Contact Josh Morrison to inspect.

This charming character stone-fronted property built in the 1930's comes with modern additions alongside the original features and is ready to welcome you home.

As you enter there is a definite wow factor with its large rooms and adaptable floor plan, perfect for the growing family. The spacious open living area with defined dining and lounge and the step up French provincial style feature kitchen offer rustic appeal with plenty of cupboard space, stainless steel appliances including dishwasher and 6 burner gas cooking this one is great for entertaining.
