This easy-care two storey townhouse is ready to either move in and enjoy or would make the perfect investment.

The home has a lovely feel from the moment you walk through the door with a bright and airy feel with timber flooring. Downstairs, you will be impressed with the generous sized living space which leads through to the kitchen and dining area.

The bright white kitchen offers plenty of cupboard and bench space including stainless steel appliances and dishwasher. There is also a laundry with the convenience of a second toilet, very handy when entertaining.
