4 Kenneth Road Morphett Vale SA

3  2  2 

This house has got lots of character and sits on a good-sized block at the end of a quiet cul de sac. Going up to the front door is a ramp which can be easily removed if not needed.

Inside to the right is the spacious lounge which is carpeted. Main bedroom with en suit goes off to the left and has a bidet installed. The kitchen/dining is at the centre of the home. Split system air conditioning keeps the house at a good temperature any time of year. The main bathroom, 2nd bedroom and laundry lead off the central living area. 2 bedrooms are carpeted and have built in wardrobes, 3rd bedroom has a floating floor and a small balcony looking out to the garden. There is a rumpus room/craft room which has been built on at the side with sliding glass doors, which
