Please contact Pete Fallon for viewing times.

Less than 250 metres from the beach this Spanish style home is in a prime location. With public transport just around the corner and a short drive to Semaphore Road, indulge yourself in high quality food found in the quirky boutiques, contemporary cafes and old worldly pubs. Semaphore has that great balance of feeling miles away with its beautiful green foreshore and rolling sand dunes but still provides modern conveniences and family entertainment. Keep the kids amused for hours at the Semaphore Waterslide Complex. Play mini-golf, slither down the slide, ride on the vintage carousel and Ferris wheel or take a ride on the steam train that puffs along the shore.
