Rarely do opportunities like these come up. For the first time since its inception, 54 Woodlands Terrace is ready to greet it's new owners. Located within walking distance to both the railway station and Castle Plaza, close to great quality schools and only a short drive to the CBD, this one is sure to go quickly.

Upon entry to the home you will be amazed at how well kept it has been. Having been built by the owner, the property has been painstakingly cared for. It offers three great sized bedrooms, a formal lounge room, and a large kitchen and dining area. A split system air conditioner has been installed for year round comfort.
