Opportunities for larger blocks in the ever popular Seacombe Gardens are becoming rarer and rarer. With it's beautifully established gardens, well maintained home and incredibly large frontage, 8 Vardon Street is the gift that keeps on giving. Located within walking distance to Westfield Marion, Flinders Hospital and University just around the corner and only a short drive to Brighton Beach, it becomes hard to beat such a great location with plenty of potential.

As you approach the property you will fall in love with the north facing deck on the front of the home, a fantastic place to enjoy your morning coffee and read the paper. Three
