Great investment, perfect opportunity as a rent back situation.

Everything is done here the kitchen and bathrooms have been beautifully updated in this lovely house.

There are polished wood floors in the kitchen, dining and lounge areas and all bedrooms are carpeted. Master bedroom has ensuite, overhead fans in all bedrooms and built ins in 2.

Ducted reverse cycle air conditioning throughout and lots of room outside for the kids to play. Plenty of parking here, double garage with roller doors.

Such a convenient location, 2 minutes from the Southern Expressway and close to schools and shops.
