If you're looking for some space this property is for you. Lots of room all around with a view out to the sea and the odd kangaroo bounding past the fence line.

The top of Onkaparinga Hills is one of the few places left in South Australia where you're out in the country and yet only minutes from suburbia.

This charming 3 bedroom house has a renovated modern bathroom.

All bedrooms are fully carpeted with overhead fans and built in robes.

The spacious lounge and family rooms are carpeted and the new combustion heater heats the whole house to keep you warm in winter and evaporative ducted air con for the summer months.
