

MAGAIN

15 Emmerson Drive MORPHETT VALE SA

3 1 2

This house needs your love!

It's got good bones, the tiles in main living area and kitchen are fine, most of the rest needs new flooring. The kitchen has a magnificent oven but all else needs work.

The bathroom is good and there's ducted air conditioning throughout.

Outside has a big garage and drive through gates at the side, plenty of room for a boat or caravan and the back veranda has a great wood heater.

Located in close proximity to Woodcroft college and Woodcroft shopping centre.

On to the Southern Expressway in 10 minutes from here.

You have a blank canvas to work with, if you're handy it's a great opportunity to create something wonderful.

Type : House
Building Size : 12 sqm
Land Size : 667 sqm
