10/18 Broadway GLENELG SOUTH SA

3  1  1 

This lovely spacious unit is on the top floor of the block on Broadway in Adelaide's premier beachside suburb.

Living areas have floating floors, the 3 good sized bedrooms are all carpeted and have built in wardrobes.

Air conditioning and overhead fans give you comfort all year round.

The modern kitchen and bathroom make living here a delight.

An electronic security gate gives you that extra peace of mind and there is a designated carport and private storage unit which is very handy to stow all those bulky items

This would make a great week ender or an outstanding investment.

Restaurants, cafes, and shops just minutes' walk away in one direction and the beach in the other.
