## 2 Cleve Street SEAVIEW DOWNS SA

3 1 3

This lovely house has a fabulous deck on the side with a view out to sea. Dining room and lounge both lead out through glass doors onto the deck which is big enough to entertain all your family and friends.

The carpeted hallway leads you into the large lounge and on to the dining area and good-sized kitchen. Living areas have floating floors throughout. The 3 bedrooms have overhead fans and are fully carpeted.

There are 2 separate garages (1 suitable for workshop) both with roller doors. Plenty of room for parking here, the driveway is long enough for a caravan or boat.

A few minutes' drive from Marion Shopping Centre close to Seaview Downs Primary and Seaview High Schools.
