5 Kersley Avenue GLENGOWRIE SA

4 1 4

What a great location and an opportunity to renovate or develop this good-sized block.

Beautiful plantation shutters are along the front of the house and the original polished floorboards are throughout. The modern kitchen leads into the hallway and on to the 4 bedrooms all with built in wardrobes and overhead fans. The heating is ducted gas and cooling ducted evaporative and there's an extra toilet in the laundry.

Lots of room outside here, the large verandah runs the full length of the house so ideal for entertaining the whole family. There are 2 garages and a car port so plenty of parking space or storage room.

The Sturt River Linear Park Trail runs along the back of the property.

Close to schools, public transport, and Marion Shopping
