Located in 'The Point' estate with easy access to the Southern Expressway and opposite a beautiful reserve, this home is sure to meet all your requirements. A stones throw to the Onkaparinga River National Park, the McLaren Vale region only a short drive away, beaches are close by and easy transportation to the CBD, this location is sure to please.

Approaching the home you will appreciate the care put into the well manicured gardens, the hedge providing the front of the home some privacy from the road. As you head inside you are greeted with the second living area at the front of the home - a great space to set up an office or kids
