

MAGAIN

Bains Road WOODCROFT SA

2 1 1

This lovely cabin is situated in the retirement section at Woodcroft Park and is surprisingly spacious inside.

The modern kitchen has a nice outlook towards the sea in the distance and there's lots of cupboard space.

A new split system air conditioner in the dining area keeps the whole cabin cool in the summer months.

New built-in wardrobes have been installed in the master bedroom and an overhead fan.

The outdoor entertainment area is spacious with enough room to entertain the family.

A garden shed at the side is handy for extra storage alongside the car port with roller door.

Solar is installed and saves considerably on electricity costs.

This is a great community to live in, public transport is close
