

MAGAIN

22 Stewart Avenue Hackham SA

3 1 1

This is a great house in such a convenient location.

The original floorboards are throughout this double brick home and you come in through the front door to the hallway and the beautiful 1920s glass doors into the lounge. The renovated kitchen is lovely and modern and a good size with lots of cupboard space. Gas cooking is a great addition.

The 3 comfortable bedrooms have built in wardrobes and overhead fans.

A verandah at the back runs the length of the house, lots of room for entertaining. There is rainwater for the keen gardener and a large garage with pit if you like to do your own mechanical work.
