This home sweet home is perfect in every way but it's now time for the long time owners to move on and allow another family the pleasure.

Enjoy two living areas, one boasting a fireplace for those cosy nights at home, the other larger family room also boasts a dining area and a split system air conditioner for the perfect all year round climate.

The centrally located meals area is adjacent to the kitchen. The versatile floor plan allows you to decide which bedroom you desire to utilise as the main, the fourth bedroom could be your ideal studio, home office, teenagers retreat or even the main as it is away from the other three and is equipped with built in robes.
