Positioned on a well-established street, this deceptively spacious home boasts three carpeted bedrooms, all with built-in robes, two separate living areas and a study or potentially a fourth bedroom. The centrally located kitchen is functional with an adjacent meals area and overlooks into the family room - all tiled for easy care living. Set to the front of the home, the tiled living area is suited towards more formal living while the family room offers a relaxed casual living area with access to the pergola and backyard.
