Can you picture your family living here? This beautiful upgraded home ticks all the boxes: comfort, convenience and character.

The updated kitchen with stainless steel appliances allows you to get in touch with your inner master chef as you entertain friends and family. There are two spacious and separate living areas creating space for the kids to do their thing in one area while you relax in the other. Bring the family together at dinner time in the family meals area and host your dinner parties with friends in the separate formal dine.
