Home is where the heart is. Such a classic statement for such a classic home located on the highly established side of this beautiful suburb. Designed like a retreat or sanctuary generating that stress free life we all crave.

At the front of the home you will find the master suite complete with walk-in wardrobe and upgraded ensuite with a huge double shower. Tucked away towards the back, each of the other bedrooms have large built-in robes and all share the main bathroom that has been tastefully renovated as well.

The spacious, fully equipped and freshly updated kitchen
