Imagine sitting on your luxurious patio, enjoying a glass of wine, while a spectacular sunset spreads out across the water. This glorious 70s beach shack overlooks the gorgeous channel and offers nothing but pure indulgence.

The moment you walk through the door you are welcomed by the natural light streaming through the large windows overlooking the water. The spacious lounge and dine is the perfect place to sit back, relax and enjoy the secluded surroundings. Such a beautiful place can be taken advantage of all year round with the air conditioning on those balmy summer nights or the cosy wood fire for the cooler months.
