8 Wadham Street BROMPTON SA

2 1

What a top near city location! This 2 bedroom villa was built around 1880 and has been updated throughout. With a modern bathroom featuring fresh clean lines and a stylish kitchen with tiled floors and french doors to the rear yard, the hard work has been done. The seperate lounge/dine has polished timber floors and a split system reverse cycle air conditioning unit. Externally the private rear yard has a tool shed and a pergola, a great place for summer time entertaining. Currently leased at \$225 per week with a realiable tennant until early next year. It all adds up!
