25 Ulinga Street GLENELG NORTH SA

3 1 1

Relatively untouched by development over the years and free from ugly units scattered around elsewhere, this section of Glenelg North is comprised of ex War Service Homes built for returned soldiers and their families. Although many are still occupied by original owners, the remainder are now being snapped by the next generation, who are extending, renovating or rebuilding. This home consists of 3/4 bedrooms, updated kitchen and bathroom, formal lounge, and a private rear yard, and is ready for the next step. OFFERED UNDER INTRUCTIONS FROM PULIC TRUSTEE
