

MAGAIN

13 Melanto Terrace MARION SA

3 1 2

Here is the opportunity you have been waiting for. This original one owner 3 bedroom home with a garage and carport requires extensive upgrade throughout, or start again and build your dream home on this lovely allotment approximately 800m². The solid brick home would respond well to extension and upgrade, however with the quality homes around and with the current trend to level and start again it would be a great place to build your own family home, the way you want it. This is a blank canvass untouched for many years, offered at a down to earth price. Don't delay opportunities like this are hard to find.

Type : House
Building Size : 86 sqm
Land Size : 139 sqm
