Setting the tone for the entire property, you're greeted with the grand entry hall which oozes class and unique sophistication.

With its double door entry, wall of mirrored built in robes, and luxurious ensuite bathroom; the master suite is only one of the jewels in this crown.

The kitchen is picture perfect, with an abundance of space, all of the modern features, and up to the minute styling, everyone will embrace the hub of this home.

The open plan living area offers a versatile layout with plenty of room for family meals and casual living. Adjacent to the living room, through double doors, a sound proofed home theatre room (which can also double as an extra bedroom if required) awaits and is ideal for the whole family
