Just one of a pair this unit is more like a stand alone home, located at the end of a cul de sac and in a sought after area.

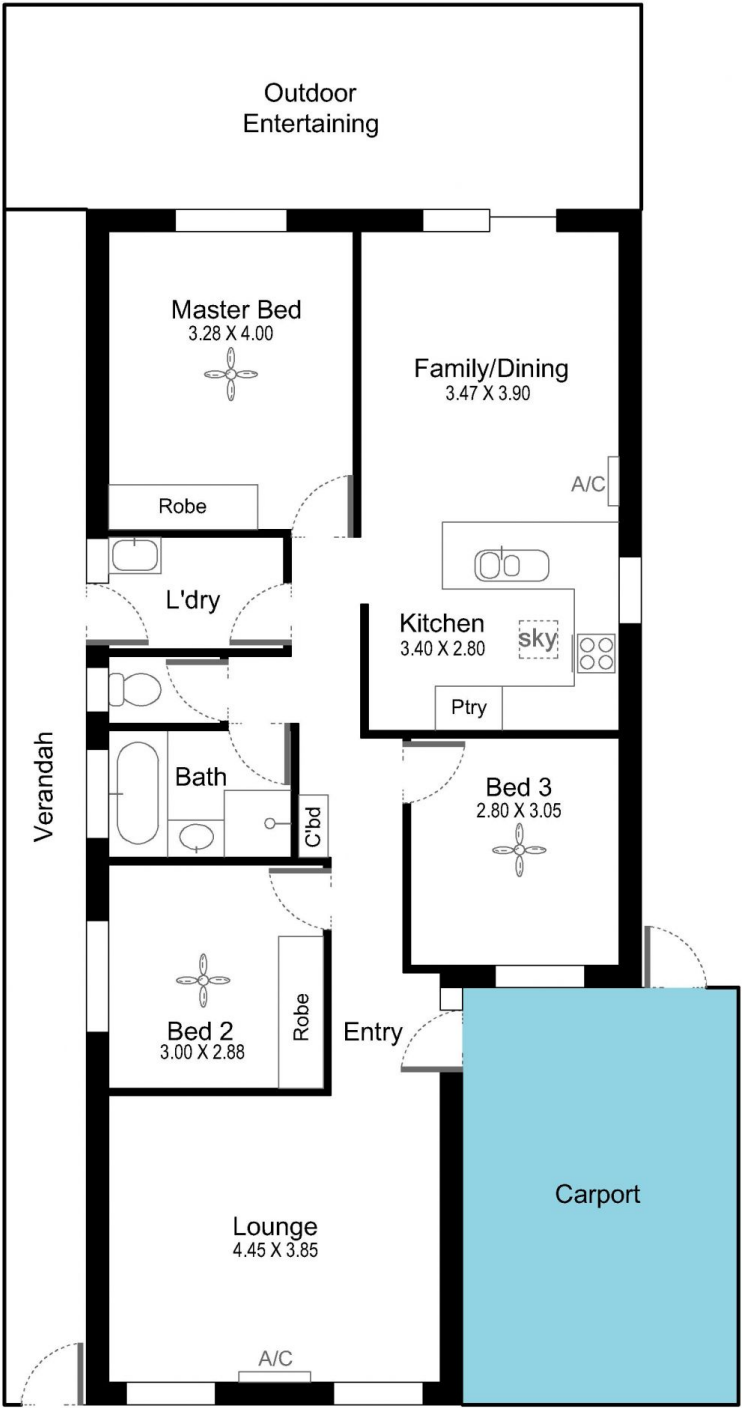

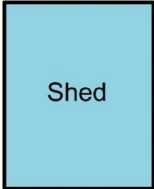

The central kitchen and family/dining area are the hub of the home and open out onto a verandah with a surprisingly spacious back yard. The three bedrooms, two with built in robes, are all a good size, and conveniently located around the family bathroom. There is also a bonus second living area to the front.

This home is everything you could want and more, with plenty of space to relax and entertain family and friends. With a split system for comfort and its close proximity to good shopping, schools and transport links this one should be at the top of your list.
