This solid brick family home has a great outdoor space to enjoy.

Inside you will find a separate lounge, with split system, leading through to the functional kitchen and dining area.

The three bedrooms are a good size, the master with built in robe and all have ceiling fans for those hot summer nights. The bathroom has an oversized shower, bath and vanity with separate toilet for convenience. There is also an external laundry and sun room for you to just relax in.

The home also offers a combustion fireplace, ducted evaporative cooling throughout, alarm system and roller shutters fitted to all windows, keeping the home warm, cool and secure all year round.

Outside there is a single lock up carport with roller door, which flows to the backyard that boasts two powered
