2 Cootra Avenue FULLARTON SA

5 2 2

with all the charm of a bygone era, this generous five bedroom property features polished timber flooring, a wide entrance hallway and a nice big formal dining room. The large lounge has room enough for a grand piano and the spacious dining area opposite the kitchen looks out across the outdoor entertaining area to a beautifully kept lawn in the north facing back garden.

The original master bedroom offers an ensuite bathroom & features French doors to the side garden area, as does an equally large bedroom two. Bedroom three is larger again and overlooks the front garden and is currently presented as a home office / study room. Bedrooms four & five are upstairs and to the rear of the home and have the added convenience of extra storage space and a second entrance.
