Perfectly positioned upon the high side of the road, this breathtaking home with approx 440sqm of internal and external living has a commanding street presence and has been sensibly built to make great use of the natural curves of the land, it really needs to be seen to be believed.

Built in 2015, it offers a neutral palette and high-end features, leaving nothing to do but move straight in. The homes split level two story design, large glossy white tiles, high ceilings and large windows create the feeling of space and warmth throughout.
