This updated family home with its new carpets and tiling has been decorated throughout.

To the rear there are three good size bedrooms, the master with huge walk in and the others with built in robes. The two way bathroom has a neutral decor and is plenty big enough for the family.

There are sliding doors to the outdoor entertaining area where you can relax and entertain, plus a large shed for those DIY enthusiasts and a herb garden for any budding Masterchefs. The double garage can be accessed from the house or via a rear door.
