Please contact Travis Denham today to discuss viewing times.

Located in a quiet cul-de-sac amongst other quality homes is this well built AV Jennings home. As you enter, you will notice how spacious it really is. At the front of the home is a traditional L shaped formal lounge and dining room. There is also a large family room, perfect for setting up the pool table or the home cinema and entertaining friends and family.

All three bedrooms are all of good size, and have built in robes so space is not an issue. The kitchen is big enough to support the whole family and overlooks the meals area. As soon as you step outside you will feel incredibly relaxed
