4 2 2

Please contact Travis Denham today to discuss viewing times

This immaculate home is perfect for the family looking for space, style and comfort with the convenience of being close to all the necessities. This property really does have that country feel making you feel relaxed the moment you walk through the door and take in the serene location.

Boasting four good size bedrooms all with built-in robes, space is not an issue. The master bedroom is outstanding with a huge walk in robe and a luxurious ensuite. This is sure to please. There is also a parent's retreat that can be used as study, office or nursery. There is a good size kitchen which is able to cater the need of today's busy
