This well designed home has been renovated and updated to the highest standard. Featuring three bedrooms, beautiful new bathroom and kitchen, new floor coverings throughout, down lights, new ducted reverse cycle air conditioning, all topped off with neutral presentation throughout.

Outside you'll find a huge pitched outdoor entertaining area which also can accommodate plenty of car storage, and a not too big but not too small lawn area perfect for the pets or young children.

This truly is low maintenance living at its best! For more
