This fantastic family home has just so much to offer at such an affordable price. The whole home has been updated both inside & out in recent times.

All 3 bedrooms are tastefully presented, are of a generous size and all include built in robes. The master is complete with a roomy ensuite. The formal lounge is a great place to formally entertain and takes in the views of the beautiful yards. The kitchen is a great space to create and offers top quality appliances including new dish drawer washer. The family room/dining leads from the kitchen and also offers great views to the back yard.
