7-5 Barry Road OAKLANDS PARK SA

Call Travis Denham today to discuss viewing times.

Ideally located is this neatly presented & spacious 2 bedroom home unit. The open living area is quite spacious and leads on to the functional kitchen at the rear of the home. Both bedrooms are of a generous size and feature built in robes. The bathroom/laundry was updated just a few years ago and the whole home has just been repainted. This unit is the only one that features it's own separate lockable storage area under the stairwell.

With transport, marion, shops, schools, hotels and beaches all on your doorstep this truly is an ideal location for everyone. It would be a great first home or an ideal proposition for the shrewd investor.
