Call Travis Denham or Craig Thomson to discuss viewing times.

This ranch style replica freestone home has the character & charm of an older style home with all the modern touches and renovations made to make this beautiful 1986 built home really stand out. Set on a huge 1104sqm (approx) the property offers heaps of space & is ideally next to the Christie Creek reserve & wetlands.

Inside there are 3 generous sized bedrooms, all of which can easily accommodate queen size bed suites. The master is complete with built in robes & ensuite. At the heart of the home is a roomy lounge room with feature combustion heater. The large & open style dining room
