Call Travis Denham today to discuss viewing times.

Situated in this popular area is this beautifully updated 3 bedroom home. With schools, kindergartens, shops and public transport all nearby it is the perfect choice at an amazing price.

This well presented home has so much to offer. As you first enter this home you will notice the whole home has been repainted and there is new carpet right through the home. The main bedroom located at the front is bright and features an ensuite and built in robe. The other two bedrooms are both of a good size and both have built in robes. With ducted cooling and ducted gas heating it is always a comfortable place to be.
