Look at this beautiful home!

From the moment you first see this home you will be amazed by the perfectly manicured gardens that surround the front of the property. As you step into the home there is timber floating floor boards throughout the open plan living area. The lounge room is at the front of the home and flows into the meals and updated kitchen area, it's so easy to just feel right at home. The property has three good size bedrooms, the main with a huge built in robe. There is a ducted evaporative cooling system and a gas combustion heater in the lounge so you can stay comfortable all year
