With tons of street appeal and surrounded by other quality homes, this Rosedale built neo-bungalow is definitely one to take notice of. Although in need of a few minor finishing touches this delightful home offers four spacious bedrooms, ensuite, built in robes, two beautiful and large living areas, ducted cooling and gas heating, spacious kitchen, and a superb layout perfect for the growing family.

Outside you'll be very impressed with the spacious yet low maintenance garden, double carport with drive through access, large tool shed or workshop, and hidden away clothes line.
