As you walk into this lovely home, you will be delighted with the updates you will find. A newly renovated kitchen offers new stainless steel appliances, stylish glass splash-back and an excess of storage.

There are two living areas, a formal dining and a spacious lounge room, and there are polished floorboards throughout the home giving a modern feel. There is a gas space heater to keep you warm through the cooler months.

You will be thrilled with the luxury of the updated bathroom and grateful for the addition of a corner spa.
