This three bedroom home is sure to tick all the boxes.

Inside you will find two spacious living areas with separate formal dining. The neat new kitchen has plenty of storage and modern appliances.

There are three great sized bedrooms, the master with en suite and walk in robe, along with a large family bathroom. An extra rumpus room leads out into the yard and pitched outdoor entertaining area. Cooling and heating ensure that all seasons are covered.

There is also a double car port and workshop for those weekend projects. All this and in a great location.
