A great home that has plenty of room for the whole family. Comprising of four generous size bedrooms, spacious kitchen with the convenience of ample cupboard and bench space that overlooks the family's dining area. Spread out into your choice of two large living areas; the spacious family living provides plenty of space to entertain friends and family, or snuggle up with loved ones in a formal lounge.

Outside is great for the entertainer, offering a good size under cover pergola, enough lawn for the children or pets to play plus the added bonus of a workshop with power and roller door access.
