This great sized four bedroom home has it all; it's neutrally decorated, has spacious rooms, and is surrounded by a lovely lush garden.

The master bedroom is a great size with built in robe. Two of the three further spacious bedrooms also have built in robes. There are two stunning bathrooms for convenience and a laundry.

The new well equipped kitchen overlooks the casual meals area and living area with combustion fire place while the spacious living and dining area looks over the leafy picturesque garden.

Outside there is an undercover entertaining area which looks out onto the well-established garden. There is a shed for storage and the front offers a carport and driveway
