This 2011 Oakford home is sure to please the most discernible buyer. With it's layout of living on one side and bedrooms on the other it has practical all worked out.

Inside there are three spacious bedrooms, all with built in robes and a generous en suite off the master. There is also a lovely family bathroom and laundry with plenty of storage.

There is a good sized study to the front, which can possibly be used as a bedroom. The large lounge to the rear can be zoned off from the well equipped modern kitchen and dining area if required.

Outside there is a lovely under cover decked area for entertaining and rear access to the single garage which can be opened both ends for extra space.
