Contact Travis Denham for viewing times. Set at the end of a quite culdesac, this beautifully presented home is waiting for you to make your own. The front of the home has been superbly designed with parking in mind, but still has enough garden area to look luscious and green.

There are three bedrooms plus an office / study and 2 bathrooms perfect for the growing family. The master bedroom has an ensuite, walk in robe and ceiling fan, keeping you comfortable in those summer months.

As you enter the home you will find a formal L- shaped lounge dining room and a recently updated kitchen. The stunning kitchen has lovely bench tops and plenty of cupboard space for storage and quality appliances.
