Located on a quiet street, close to all the local services, is a two storey five bedroom home waiting for you to make your own! With the family in mind, there is something for everyone.

For the growing family with teenage drivers, there is a clever u-shaped drive-thru drive way that avoids the inconvenience of shifting vehicles on a regular basis! There are security shutters on the front lower storey windows and a security alarm, keeping everyone safe and secure at all times.

The expansive master bedroom with walk in robe is set on the ground floor and is equipped with its own parents
