A fantastic opportunity has presented itself with this ideally located home in a family friendly suburb. Set on a huge block this 3 bedroom home has been recently updated with a brand new kitchen.

Perfect for the first home buyer or investor, this great little asset is ready to make your own. Equipped with heating and cooling, the home has floating floorboards flowing through the high traffic areas and carpet in the bedrooms.

The kitchen has been given a gorgeous makeover, with new cupboards and bench tops, quality appliances and has plenty of overhead storage. Overlooking the dining room, there is a nice open plan feel. A separate lounge area is easily accessible from the dining area and gives everyone plenty of room to enjoy.
