This renovators dream is ideally located close to the local shops, schools and the new Hallett Cove Shopping Centre. Set on a good size block, this 3 bedroom home has so much potential the only limit is your imagination.

The large grassed front yard leads up the single carport with roller door, which is set under the main roof. Moving through the carport and into the back yard you will find an undercover pergola area and a large tiered back yard with a shed.

As you enter the home you are greeted with a slate floored entrance, and you will move into the L-shaped carpeted lounge area. Tiles complete the recently updated kitchen
