This delightful two bedroom unit is in an excellent position close to everything you could want! Perfect for the first home buyer or investor, the home offers neutral decor throughout.

The spacious living room is the first thing that greets you. This leads nicely into the updated modern white gloss kitchen, with ample storage and convenient dining space. There are two good sized bedrooms, the master with built in robes and a neat bathroom with a large shower. For year round comfort there is a split system. Through the good size laundry is a low maintenance yard, and a secure garage tops it off.

A great property in a central location close to transport links, and not far from the city. For your shopping
