This genuine four bedroom home has so much to offer, with the local reserve basically on your doorstep and the local schools and amenities only moments away.

Internally the home provides spacious living for the entire family. The two separate living areas include; an impressive formal lounge and sensationally large family living at the rear of the home. The central kitchen has been beautifully updated, providing plenty of cupboard and bench space plus a dishwasher. Three of the four bedrooms feature quality built-in robes and are all very generously sized. The master bedroom is ideally serviced by the homes second full size bathroom.
