This cottage built in 1900 is tucked away in a lovely area. Inside you will find a separate lounge and dining area along with a modern kitchen boasting quality appliances. There are three good sized bedrooms, the master with en suite, and a family bathroom.

Wash day is a delight with the huge laundry and the home also features reverse cycle air conditioning and a gas heater for all year round comfort.

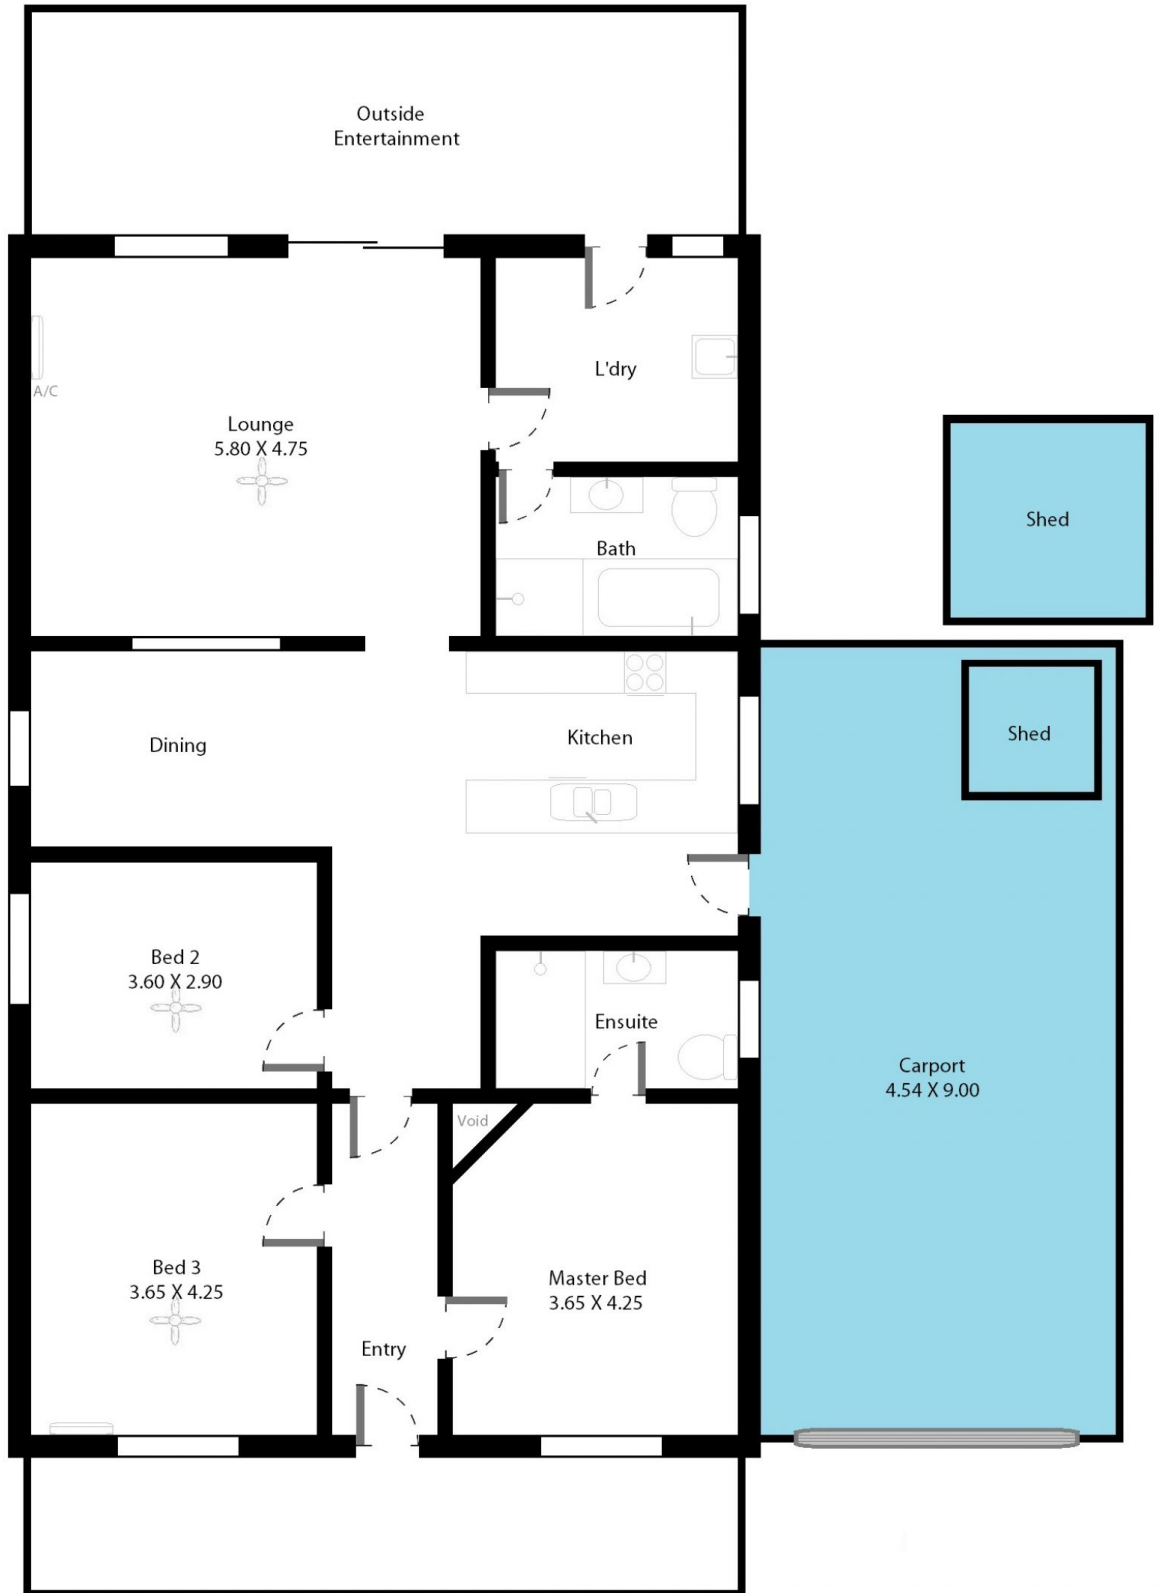

Outside there is a mature garden and outdoor entertaining area. A tool shed for storage and a double car port keep all the bases covered.

All this and the fantastic location walking distance to Glenelg beaches, shopping precincts, transport links and the city this one shouldn't be missed.
